

Funding Received

Deans PS was allocated £84464 to make improvements in Literacy, Numeracy and Health and Wellbeing and accelerate pupils' progress in closing the poverty related attainment gap.

How We Spent Our PEF Budget

- Additional Teaching and Pupil Support Staff
- Family Link Worker
- Targeted Learning Interventions
- Pupil Wellbeing Support
- Enhancing Pupil Experiences

Examples

- Literacy and Numeracy Learning Interventions
- Small Group Learning with Adult Support
- Additional Extra-Curricular Club Opportunities
- H&WB/Attendance/Finance/Parenting Supports
- Whole School Christmas Pantomime Experience

Impact on Our Learners

- All Literacy and Numeracy interventions have led to improvement in pupils' learning achievements.
- 92% of pupils on roll experienced the Wizard of Oz Christmas Pantomime with 98% reporting they enjoyed attending. 44% of these pupils had never attended a pantomime previously.
- An additional 18 families across the school year were supported to access Free School Meals for their children.
- Increased attendance of 62% of identified pupils.
- 92% of identified pupils accessing wellbeing support with our Family Link Worker feel they have learned new skills.

2026/27 Plan in Consultation with Pupils, Families and Staff

- Continue funding additional staff including Family Link Worker, Pupil Support Staff and Depute Head Teacher to help raise attainment.
- Family Link Worker to work with families to support a rise in pupil attendance and help families access additional help.
- Planning and organising additional experiences to enhance pupil learning e.g. outdoor learning, excursions etc.
